- 3. Objectives of the Programme** : To motivate students to plant trees and make them aware of Environmental issues like Global Warming.
- 4. Outcomes of the Programme** : Students and teachers decided to conserve nature and planted saplings distributed during the college program at their homes.

Brief Summary of the Programme:

Tree Plantation Drive

In order to foster awareness within society regarding the swift progression of urbanization and the declining number of trees, alongside the escalating pollution, the Social Forestry Department of the Maharashtra Government and Shivaji University, Kolhapur, annually commemorate Tree Plantation Week from 01/07/2023 to 07/07/2023. As a part of this initiative, on the 7th of July 2023, the students belonging to the National Service Scheme (NSS) department organized a Tree Plantation Program on the premises of the college. On this momentous occasion, saplings were bestowed upon the students and professors of the esteemed institution. In light of this, the Principal of the college, Dr. R. K. Shanediwan, expressed the imperative role that tree plantation plays in ensuring a healthy environment.

This endeavor received an overwhelming response from the students. The entire process was orchestrated by Dr. D. L. Kashid-Patil, Dr. S. D. Jadhav, Dr. Mrs. N. D. Kashid-Patil, and Assistant Professor Shubham Patil from the NSS Department. All stakeholders, including college students, professors, and non-teaching staff, actively participated in this endeavor.
