4. Outcomes of the Programme : Positively impact academic performance by enhancing comprehension, retention and application of subject matter knowledge. Practical exposure reinforces theoretical learning and improves overall academic outcomes

Brief Summary of the Programme: Department of Mathematics organized field trip to the Kasba Bavada Post Office on 10th feb 2024 for all(15) B.Sc. Mathematics Students. That day all B.Sc. Students present Kasba Bavada Post Office at 11.00 am. Then all students and I meet to Head Mr. Tere Desai Sir. Then sir tell to Students post offices are basically classified into 3 types namely-Head Post Office ,Sub-Post Office including E.D. Sub –Office and Branch Post Office. Kasba Bavada P.O. is a sub post office. So far as the public is concerned, there is basically no difference in the character of the service rendered by Sub-Post Offices and Head-Post Offices except in regard to a few Post Office Savings Bank (SB) transactions. Certain Sub Post Offices do not undertake all types of postal business. Facilities are generally provided at Branch Post Offices for the main items of postal work like delivery and dispatch of mails, booking of registered articles and parcels accepting SB deposits and effecting SB withdrawals, and issue and payment of money orders, though in a restricted manner.

The visit came to an end at 3:00pm. We left the premises at 3:30pm.

At last, we express us to go to the visit, faculty members who accompanied us and the officials who explained the various departments. Behalf the students I request you to arrange more industrial visits for students which can practically trained the students. Thanking you.
