Under the topic 'Shubhanshu Shukla's Space Journey', Assistant Professor Aishwarya Hingmire of the Geography Department gave a lecture on the life and space journey of Indian astronaut Shubhashu Shukla.

Further she said that, Born and raised in Lucknow, Shukla joined the Indian Air Force and accumulated over 2,000 flight hours across advanced fighter aircraft. In 2019 he was selected for India's human space-flight aspirations and later trained with the Indian Space Research Organisation (ISRO) and abroad for his astronaut role. In June 2025 he embarked on the Axiom Mission 4 to the International Space Station, becoming the first Indian to visit the ISS and conducted about 60 scientific experiments during his stay.
