## Programme Report: 2024-2025

Day: Saturday

Date: 21 September 2024

Time: 07.00 am onwards

1. Name of the Department : Department of Botany
2. Name of the Programme : Study tour at kirve, Tamjai platu and Gagangiri Math, Gaganbawada .
3. Objectives of the Programme : To Understand the Biodiversity in these area .
4. Outcomes of the Programme : Student gaining a deeper understanding of plant diversity , identification skill, ecological relationship, practical application of botanical knowledge in natural habitat, enhanced interest in research , and a heightened appreciation for plant conservation.

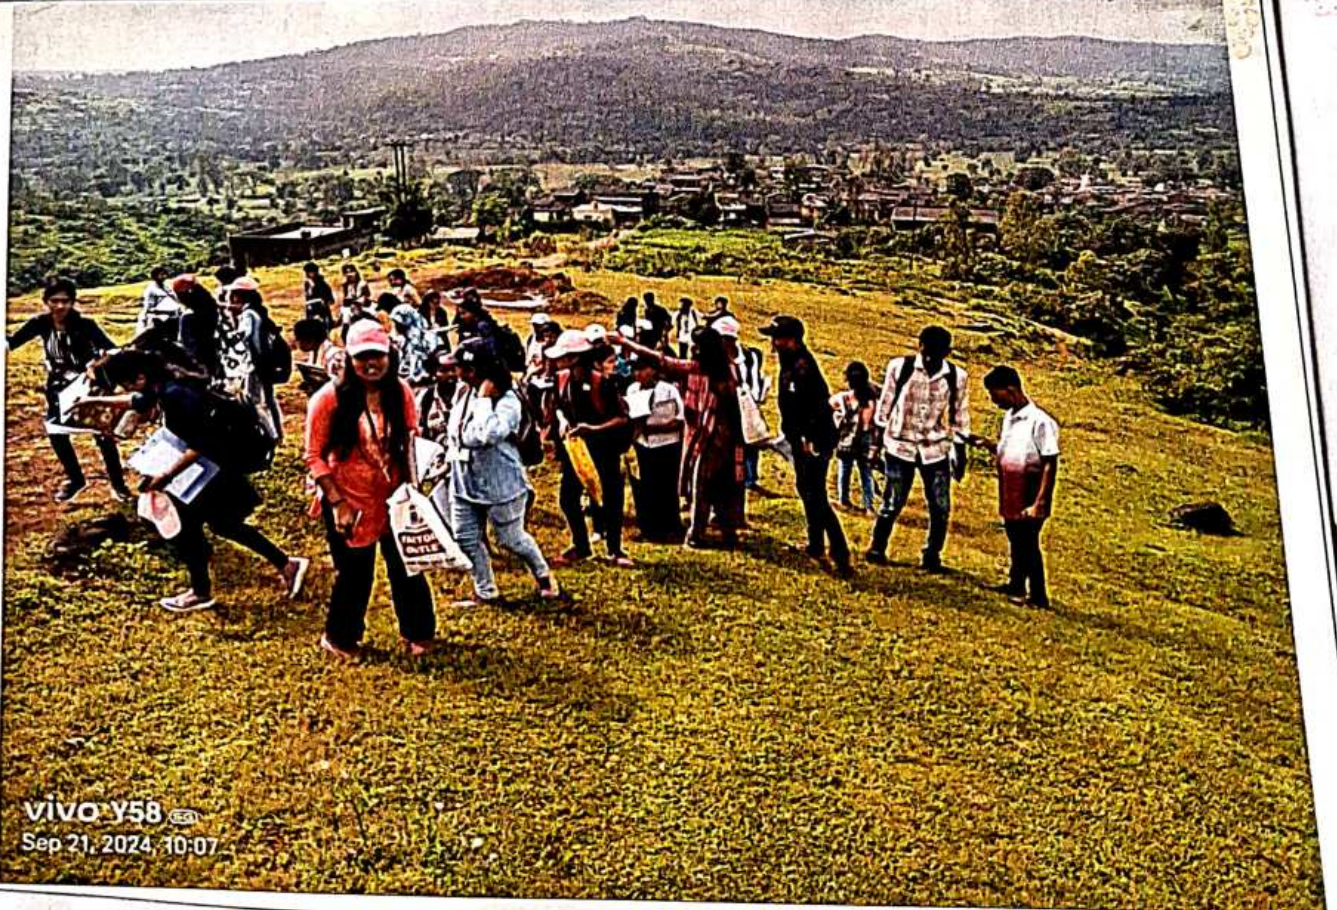

### 5. Brief Summary of the Programme:

Department of botany organized study tour on at Kirave, Tamjai Plateau , Gagangiri Math , Gaganbawada , for B.Sc. I, II and III students. In these study tour 40 students had participated . These time we visit Kirave, Tamjai plateau first where students observe different types of plant species , herbs , shrubs , algae . As the monsoon comes to an end the plateau becomes a carpet of wildflowers. We saw the insectivorous plant like *Utricularia* , *Drosera* etc. and some animals are observed like types of snakes . then we visit gagangiri math and we reach at 7 pm at college campus.
