## Programme Report: 2024-2025

Day: Tuesday & Wednesday

Date: 14<sup>th</sup> and 15<sup>th</sup> Jan 2025

Time:

1. Name of the Department : Department of Chemistry

2. Name of the Programme : Educational Study Tour

### 3. Objectives of the Programme:

The Chemistry Department Study tour aimed to provide students with a comprehensive learning experience that combines theoretical knowledge with practical exposure .by visiting culturally significant sites and modern industrial facilities, the sought to achieve the following objectives;

1. To integrate Science and History:
2. To provide students with a firsthand understanding of the processes involved in pharmaceutical manufacturing company.
3. To show the students to career opportunities in industries like pharmaceuticals and chemical Manufacturing.

### 4. Outcomes of the Programme:

The Chemistry Department Study Tour was a well-rounded and enriching experience that combined educational, historical, and cultural insights. It provided students with a valuable opportunity to explore the practical applications of chemistry in industrial settings while also appreciating the significance of natural and historical landmarks.

1. The visit to GanpatiGhat and Mahabaleshwar introduced students to the natural beauty of the region, fostering an understanding of the role of chemistry in preserving the environment.

2. At Mapro Garden, students observed the processing and production of fruitbased products, gaining knowledge about food chemistry, preservation, and manufacturing techniques.

3. Visits to Savitri Point, Stable Land, and other scenic spots allowed students to witness the geological formations and the role of minerals and weathering processes, which connect with chemistry and environmental science.

4. At Raigad Fort, students appreciated the historical construction techniques, including the use of natural materials like stone and lime, and learned about the impact of environmental conditions on heritage preservation.

5. The tour to Lakshmi Pharma Industry provided insights into the pharmaceutical manufacturing process, quality control, and chemical applications in medicine, offering real-world exposure to industrial chemistry.

5. Chief Guest : Nil

6. Chairperson/President : Dr. R. K. Shanediwan

7. Beneficiaries/ Participants : 40

**8. Brief Summary of the Programme:**

On the behalf of Department of Chemistry has organized two days in dustrial tour at wai - mahabaleshwar- raigad fort and Laxmi organic industries. First, they have visited at Temple of Ganpati at wai, then they have reached at Mahabaleshwar through maprogarde. Here, they have visited four to five points at Mahabaleshwar. At the end of day, they have taken the halt at Raigad.

On second day, They have visited Raigad fort through climbing. Then they have visited some important points at Raigad. While returning to Kolhapur, they have visited Laxmi organic industries in which they have visited some analytical instruments such as conductometer, pH meter, Chromatography etc. At last, they were returned to Kolhapur. Laxmi organic industries trip was very fruitful and nice.
