

Future Plan:
Department of Mathematics

SWOC Analysis:

Strengths

- Vibrant, enthusiastic and creative student community.
- Efficient and Dedicated Faculty.
- Department Organized conferences, Seminars and Webinars.
- Good PG Output.

Weaknesses

- Shortage of Faculty for UG programmed.
- Absence of collaboration with reputed institutions.
- Lack of non- teaching staff and a lab assistant.

Opportunity

- Vast opportunity after B.Sc. Mathematics.
- Wide higher education option.

Challenges

- Students lack thorough knowledge about basic concepts.
- Low attention span of students.
- Need for more involvements in the department.

Future Plan

- To organize placement workshop
- To start short term course on Python and Scilab
