ANNUAL E-GOVERNANCE REPORT

E-Governance is the use of information and communication technologies (ICT) in organizations to provide user services, to improve work efficiency. It is being used as a platform for efficient, transparent and timely delivery of services to all the stakeholders. In essence the purpose of e-governance is to bring transparency and efficiency in the working of an organization. Speedy and cheaper communication, convenience, transparency, accountability, improved functioning of the college and increased access to information are some of the basic parameters on which the concept of e-governance relies and finds its foundation. Shri Shahaji Chhatrapati Mahavidyalaya, Kolhapur is trying its best to keep pace with the recent applications of e-governance in terms of various functions being performed digitally through the internet.

Shri Shahaji Chhatrapati Mahavidyalaya, Kolhapur and IQAC drafted a policy for implementation of E-Governance in various administration and academic activities of the college to accelerate college functioning and development in terms of speed, efficiency and reliability.

Implementation of E-governance in areas of operation It has been decided to automate all the various operation of the instructions in an integrated manner in order to enable transparency clarity in different functionalities of the instructions pertaining to teaching learning (Academic), Administration, Examinations, Finance and accounting, Admissions and HR wings. In this direction a few vendors/service providers of ERP software are called and quotations are invited as per the recommendation of the IQAC of the institutions followed by the directions of the Governing Council suitable ERP has been deployed and put into the appropriate use. Required training has been given for teaching and non-teaching fraternity of the college with a view to get the optimal benefits from the software for the stakeholders.

Administration:

For the ERP solutions, College has initiated its service with Biyani Technologies, Kolhapur. After the trial test of the software, various modules are given for all the areas of operation. The entire process runs under the guidance of the Principal of the college through e-governance.

1. Students Registration
2. Certificate
3. Cashier Module
4. Online Admission

The College administration has stepped ahead in the direction of paperless administration and almost all communications with higher authorities are realized online through e-mails and other digital formats. The ICT based significant institutional tasks carried out online as part of the e-governance program can be outlined as:

- Academic and Administrative communication with government and private agencies through E-mails.

- Maintenance & disclosure of comprehensive information on its web-page.
- Updates regarding payments of employees through mails.
