

Counselling during the phase of Covid-19:

As per the Government of Maharashtra, Special Counselling Cell was established for the students at college level for Covid-19 Awareness as a preventive measure to prevent the spread of Covid-19. The committee was also formed for smooth functioning of this cell.

The following work has been done through this cell.

- The students were awoken about the natures, symptoms, causes and consequences of the Covid-19.
- The students also realized the reality and misperception about Corona virus.
- It was helped to decrease the unreasonable fear, confused mentality, anxiety, stress, depression and emotional insecurity to the students.
- It was also instructed to students do not follows the irrelevant information or posts. The students were awared by providing legal information.
- The “Online Free Counselling Service” also started to all the stakeholders and society.
- The students were guided and counselled about curricular problems through online mode.
